S SUMMER SESSION STUDENTS:

This Summer Session grants me very little opportunity to meet you face to face. I pass up and down the halls and occasionally go through the library and as I do so I see many familiar faces, and experience very frequently that well known embarrassment which comes to us when we should be able to recall names on the spot.

I see many who are first visitors to our institution and wish that I had an opportunity to know them all. As it turns out, our summer session opens and closes with many good resolutions unfulfilled, and among them, my desires for better acquaintance. You will just have to take it from me that these failures are a source of regret to me. Believe me, I want to know you all, even if circumstances have made that pleasure impossible.

With best wishes to you in this troubled world.

P. F. VALENTINE
Dean of the College

OUR FIRST SOCIAL EVENING--

Convivial-minded students relaxed from a week of study by gathering for a dinner at Martha Jean's and for the Movie, "Citizen Kane" at the Geary, last Thursday night. Representing the faculty were Dean Ward and Dr. and Mrs. Knuth. Margie Weber and her congenial hostesses, Mary Huffman, Lorraine Schwaderer, Barbara Mc Farlane, Dorothy Thronson, Olga Perkins and Dona Carrington helped make the evening a success.

SWEDISH DINNER TONIGHT!

Tonight, at 7:00 P. M., many of our students and faculty will enjoy a Smorgasbord, or Swedish dinner at the Swedish Applied Arts, 2016 Pacific Avenue. An exhibition of arts and handcraft succeeded by several hours of joyous Folk-dancing, will follow the dinner.

A favorite annual summer session activity, this affair is anticipated with eagerness by many. Our guests of honor are Mr. and Mrs. Wendell Otey, of the visiting faculty and our own Miss Jessie Casebolt.

Tickets on sale at the ticket table in College Hall, covering the cost of the dinner and all additional features of the evening, are priced at \$1.00.

- APPEAL -

This embryo "paper" is yours and yours! But its life is short. Only three more issues, and it expires.

You can pack those three issues with news and interesting personal comments. Tell us about yourselves and your friends. There are distinguished people hiding among you.

Come in and help us run this paper! Volunteer workers for the "NEWSSETTE" are cordially welcomed at the Student Body office.

The Brush 'n Palette Club is planning for a weekly noon day Folk Dance in the Gym. Watch for announcements.

-LATEST NEWS OF "THE ROCK"-

-2-

Two of the staff of Mr. Bale's department have been working for several weeks painting and repairing the rooms over at the "Rock". Mr. Nee reports that the lower floor and the second floor received a new coat of paint. The ladies of the Parent-Faculty Club have completed the drapes and curtains for all windows on the first and second floors. It is hoped that the cornices will be ready soon, so that the curtains may be hung.

Mr. Gutmann of our Art Department has donated one of his paintings for the living room.

Members of the Parent-Faculty Club are working hard this summer, gathering and painting articles of furniture. Any student or members of the Summer Session who desires to contribute to the furnishings of this new dormitory for the men should see Dean Ward or Dean Cox. Any contribution which will make the rooms more homelike will be appreciated. This is a fine opportunity for graduates of the college to help the men who are still undergraduates.

WANTED: THE IDEAL LANDLADY!

Are you living away from home this summer? Have you an ideal landlady? If so, won't you write a little note describing such an individual. What does she do to make you comfortable? What are her outstanding characteristics? What makes you love to come home? So many landladies are so far from the ideal that we would like some information on the subject. Please send your note to Dean Ward.

COME TO THEM ALL!.

We urge all students and teachers to participate in our summer session activities. Come to the teas, dinners, noonday recreation, and picnics. These are your affairs and for your enjoyment.

THEY DIDN'T LOOK LIKE TEACHERS!

Dr. Brown was puzzled at the curious stares he and the thirty-six members of his class attracted when they filed into a court room at the Hall of Justice on Tuesday, to listen to the court proceedings. Enlightenment came when he heard one of the "regulars" exclaim, "Geo, there must have been a big raid last night!"

F L A S H ! !

Arrangements have just been made by the Brush 'n Palette Club to give a weekly Thursday night Folk Dance at the Frederic Burk Auditorium, beginning with next Thursday, July 17th. Time: 8:00 P. M.

Popularity is assured as Dr. Elias T. Arnesen has consented to be Faculty Sponsor.

NOON DAY RECREATION

Early turnouts for badminton are Vic Rossi, Dorothy Throndson, Evelyn McGlade and Olga Goodwell. Seen at the ping-pong tables were Stanford Winter, Herb Synan and Rono Cordoni.

Tournaments start in one week in ping pong, tennis and badminton. Rita Waldman, chairman of this activity urges you to sign up and turn out daily at noon.

JOIN THE FUN!

There is a class on the campus where both animate and inanimate members are welcome. Every afternoon from two to four o'clock people from California, Montana, Nevada and West Virginia come together with Mr. Faust, Little Black Sambo, Hansel and Gretel and the old Witch for work and fun. Does it sound strange? It isn't really. The group is "Puppetry 1128A", that has been successfully working with Mr. Ray for the past two weeks. Beginning next Monday, this class will join Miss Gasebolt in Annex B to make our little characters come to life. This class plans to write and to produce puppet plays.

It's interesting! And fun! Drop in and visit with us. . .
